Subject: Additional Talking Points for Meeting with Ambassador Hartman

1. The main matter that Ambassador Hartman is working on during his TDY in Washington, which will last until 25 April, is embassy security. He is devising his own plan for enhancement of the embassy security and is trying to counter those who want to move quickly toward the total removal of Soviet local employees in Moscow.

2. Ambassador Hartman, in his meeting with you at 0900 hours on Thursday, 18 April, will raise these issues and is likely to seek your support in countering some of the actions being proposed by some in the community.
